CHOIR REHEARSALS RESUME WEDNESDAY JANUARY 8

Now is the time for all to consider and actually join our Spring Lakes Choir. We have room in all sections, Soprano, Alto, Tenor and Bass. I promise to not embarrass you. Many consider our Choir to be one of the most enjoyable activities in our park. We will begin rehearsals Wednesday January 8, at 10:30 AM in our Clubhouse. We will begin working on music for our Spring Concerts which will be held April 29, 30 and May 1.. If you love to sing, can carry a tune, and enjoy working together to present a fine product, I encourage you to give us a try. Previous choir experience and being able to read music is certainly helpful, but not required. Our choir is made up of great people with a great variety of backgrounds and experiences, who appreciate, respect and enjoy each other. Our choir is growing and would love to have you be a part. CONDOLENCES Fred Elkins (5/6/1932 - 12/23/2024)

Fred was born in Eugene Oregon, the third of five children. He spent his youth in the Washington/Oregon/Idaho area helping his dad and brother log. He enlisted in the Air Force and afterwards became a teacher, settling in Sacramento to work at Juvenile Hall as a wood shop teacher. Although he raised two daughters with his first wife, he met the love of his life, Twyla later. They enjoyed many years of traveling in an RV, visiting their respective families and watching the 7 grandchildren grow into amazing adults. About 10 years ago they found Spring Lakes. Fred used to say it was the best decision they ever made and wished they had come sooner. He told us often he had the best spot on the property. He will be remembered for his wry sense of humor, his hospitality, and his generous laughter. We feel so blessed that he was sitting in his favorite spot, looking out at the pond, drinking his hot cocoa on Monday December 23. If you are so inclined, feel free to share a favorite memory or send condolences to his daughter Laura Elkins at 10402 Gatewood Terr, Silver Spring, MD 20903 who will make them available to the larger family.
