MANAGEMENT COMMITTEE MEETING

March 25th ~ 10:00am ~ Clubhouse

Updates from the MC:

Due to liability and legal concerns, SLP will no longer be selling alcohol beverages at park events. However, this does not prohibit attendees from providing and consuming their own preferred refreshments. As always, we ask all to drink responsibly at these events.

Beginning April 1, any partner who rents the clubhouse or party house for an event will be asked to provide a copy of their homeowners policy showing their personal liability limits. It is highly recommended that all partners maintain a homeowners insurance policy, and that the limit of personal liability is \$300,000 or higher.

It is time to apply sealant to our roads. We will be taking a vote to fund this project at our next Management Committee meeting at the clubhouse on March 25th, at 10 am. We encourage all to attend this meeting to have your vote counted.

Becoming a FireWise community

Thanks to the community response, we need only 4 more households by March 28 toward becoming a FireWise USA recognized community. This recognition could qualify us for education, grants, and insurance consideration.

January's wildfires in the Los Angeles area bring to mind Spring Lakes Park's evacuation during the CZU Lightning Complex Fire in 2020. Wildfire has affected others of us while living outside this community. Time and again we see mobile home parks destroyed by fire, yet we might avoid fire before it starts. How could Spring Lakes Park take action and become better prepared?

SLP is eligible to become a **Firewise USA** recognized community with benefits such as reduced risk, education, collaboration and emergency preparedness.

For a printed flyer, links to online resources, and to lead or join a FireWise steering committee, please contact Leslie Willoughby by March 28, redwoodfroggie@gmail.com, 760) 709-6599, house #28.

Chair Yoga, Mindfulness Living, Meditation

NOTE: The fourth Tuesday of the month Chair Yoga class will be held in the Party House.
