Smile, be Someone's Sunshine!

The MC filed comments about the Valley Gardens draft Environmental Impact Report (EIR) focusing on existing and additional problems with the traffic on Mt. Hermon Rd, specifically the Spring Lakes Dr intersection. The filing date deadline for comments is Monday, Oct 14th. A copy of the EIR is in the Clubhouse Library, and you can access it on line at: <https://www.scottsvally.gov/DocumentCenter/View/5266/Valley-Garden-Planned-Development-Public-Review-Draft-EIR-dated-August-30-2024-no-Appendices>

Measure U on the November ballot concerns San Lorenzo Valley Water, our provider. We encourage you to read the ballot information carefully. You may be interested in knowing that both the Republican Party and Democratic Party recommend a "no" vote.

The MC has been informed that the long-awaited hydrologist's work, the first step - the survey work, will begin the third or fourth week of this month.

Questions have arisen about political campaign materials. California Mobilehome Residency Law says that political signs are allowed at resident's homes so long as they do not exceed six square feet. Signs are not allowed in commons areas and the Park has a tradition of not allowing campaign materials in facilities like the Club House. Please refrain from posting or leaving materials in the Club House.

Mark Saturday, November 16th on your calendar for the Bi-annual Partner's Meeting.

Dear Residents, As a result of the painting work being done in both of the Pool bathrooms and the hot tub, they will only be open on Saturday and Sunday and closed again next week until the bathrooms are finished. The Pool will remain open every day. As a reminder, the Pool will go to the winter hours schedule of 8:00 am-4:00 pm on November 3rd. Thank you for your patience and cooperation in these matters. Park Management

Thanks to our artists and crafters and to everyone for coming out to support them at our Art and Craft Fair!

Tai Chi for Balance at the Clubhouse ~ 16th at 3:00pm

The purpose of this class is to teach stances and forms towards both stability and fluidity in daily movement. A variety of meditative and upbeat music will accompany both the structure and flow of this class. Everyone is encouraged to practice daily, with mindful movement.

Instructed by Sifu Ron Souza ~ Space 48 ~ 831-246-1256.

BALANCE CLASS

"Severin Marthe, space 97, former Wellness Coach and Personal Trainer at the Ross Road YMCA, Palo Alto, California, will be making himself available for conversation, instruction, and demonstration of specific exercises for enhancing and improving balance, beginning Monday, October 14, 2024, through Monday, November 18th. Slow paced interactions intended to restore connections between body activities, awareness of mind body connection and focus on "feeling" your movements. Simple, repetitive exercises, questions, and problem solving for your individual needs. Contact Severin at 650-669-1476 beforehand with questions or concerns. I facilitated this class for about 40 people per week for six years. Looking forward to meeting you".

Bunco will be played on Wednesday, October 23, 2024, at 1:30 pm. Please RSVP if you are going to play as we have only nine people signed up at this time. Sandy Payton 461-1380. See you then.
